Call for Nominations "Women's Achievement Award"

The Utah Commission for Women & Families will honor outstanding Utah women during Women's History Month in March 2005.

Nominations are now being accepted for the "Women's Achievement Award." The Utah Commission for Women & Families is searching for Utah Women who have made significant contributions to women and families in our state. These women may be representative of those who have overcome adversity, who work professionally to improve the quality of life for other women, who have given community service, who contribute to the positive development of their own families.

Nominations are now being accepted by submitting them via e-mail, or hardcopy. Nomination forms can be downloaded from the Internet at <http://families.utah.gov/>. Nominations can also be taken by telephone, 801-526-9281. A special awards ceremony will be held in March to introduce and present the winning recipients.

All nominations will be accepted until February 15, 2005. For more information contact Carol Walker, Executive Director, Utah Commission for Women & Families at 801-526-9281 or e-mail to carolwalker@utah.gov.
